**Certification scheme for Products made of compostable materials (2016-01)  
3241491: Annual verification testing (2017/2018) – 7P0309**

Dear Mrs De Maria,

We are pleased to inform you that the verification inspection 2017/2018 of your compostable product "coated paperboard cups" is finished with positive results.

That entitles you to use the compostability mark in combination with the corresponding registration number according to the "Regulations governing Use of the Mark" and the "Trademark Usage Guidelines" of European Bioplastics Association.

Enclosed, please find our invoice 50189020 dated 12<sup>th</sup> March 2018 for the fees now due.

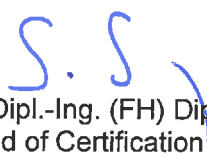

Herewith, the file having been handled under the procedure No. 3241491 is closed.

Thank you for your decision for our certification marks to embed them into your company communication. If you have any questions or comments, please do not hesitate to contact us.

If you need further information, please do not hesitate to contact us.

Kind regards,
